

# CONTENTS

## Road Engineering

- Prediction of Deformation Modulus and Dilation Angle of Coarse-Grained Material Under Different Confining Pressures and Soil Densities ..... ZHOU Ruirong (1)
- Indoor Test Research on the Splicing Scheme of New and Old Asphalt Pavement ..... ZHANG Lidong, ZHANG Yutong, ZHENG Bingfeng, ZHU Fuwan (5)
- Research on Coarse Aggregate Size Computation Based on Structured Light ..... DING Xudong, GENG, Chao CUI Shanshan (9)
- Research on Design and Property of GAC-16 Asphalt Mixture in Western Jiangxi Arterial Highway ..... XIONG Xiaojun, ZHOU Chongyang, ZONG Jinyu, WANG Yongwei, LIU Linlin (14)
- Design and Optimization of Bubble Light Soil for Highway Reconstruction and Expansion Project ..... FAN Pengju, WU Yang, ZHANG Lei (18)

## Bridge & Tunnel Engineering

- Closure Scheme and Jacking Control of Long-span Continuous Rigid Frame Bridge with High Piers ..... CHEN Xi, JU Dan, ZHANG Wenming, LI Shuwei (23)
- Mechanical Analysis of Welded Joints of Steel Truss Based on BIM ..... WANG Ligu, GUO Jianhua, YUAN Yu, ZHAG Qiang (27)
- Derivation Formula and Analysis for Soft Surrounding Rock Pressure of Bias Tunnel ..... YU Lyushan (33)
- Study on Jacking Technology Under the Railway of Four-hole Parallel Large-span Frame Bridge ..... WANG Qiang, YANG Huaqing (37)
- Research on the Reason and Protective Treatment of Corrosion and Seepage of Tied-arch Bridge Anchor Head ..... TANG Tang, WU Gaojie, HAO Shuguang (40)
- Seismic Design of High-pier and Long-span Bridge in High Earthquake Intensity Area ..... HU Fengling (45)

## Communications Engineering

- Analysis of Highway Network Status in Kazakhstan ..... LI Dongbiao, SONG Changzhen, GUO Ruichen, YANG Zhaolong (49)
- Research on Performance of Novel Traffic Intersection Design Based on MUT and RCUT ..... Alexander T. Fashakin, QIAO Feng, SUN Haochen, WANG Zhaoyan (55)
- Impact of Operating Characteristics on Vehicles Emission in the Signal Intersection ..... XU Xiaoqin, REN Zhaoyang, QIU Zhaowen (62)
- Design of Site Pedestrian Crossing System on Modern Tram ..... LI Qiaoying, YANG Shengchao (66)
- The Study of Traffic System in the Control Detailed Planning Stage ..... ZHANG Xiaonan, HAO Shengfeng (71)
- Research on International Air Freight Route Guidance Fund Calculation ..... GU Yehua, CHEN Tianxing (74)

## Port & Navigation Engineering

- Competitive Evaluation of Seaports Along African West Coastline Based on GRA-CV ..... CHEN Mili, FENG Xuejun, LYU Yuhua, JIANG Liupeng (78)
- Application of Analytic Hierarchy Process on Safety Engineering Management of Lian-Shen Waterway ..... ZHANG Zhengtao, CHEN Shaozhong (84)
- Application of Cement Mixing Pile Machine in Old Bank Reinforcement Project ..... LIU Xiaoping (89)
