

CONTENTS

Summary of Focused Areas

- The Development and Construction of China Railway Express CHEN Chen, XU Jing (1)
- Research on Development Strategy of Chang'an International Freight Train HU Bisong (8)
- Review of Key Technologies of the North Section of Beijing-hangzhou Canal Upgrading Project
..... CHEN Zhijuan, XU Jing, CHEN Chen, XU Zhuohua (11)

Road Engineering

- Research on the Reconstruction and Extension Technical Standard of Over Eight Lanes Expressway
..... CAO Jianjian, LI Zhitao (16)
- Experimental Study on Soft Foundation Consolidation by Stiff Pile Composite Foundation
..... XUE Ling, CHEN Hongbin, TU Shengwu (21)
- Study on Mixing Time of Hot Recycled Mixture Based on Infrared Thermometer HU Yang (27)
- Study on the Performance of Rejuvenating Seal on Aged Asphalt XU Zhenglin, JIANG Xiaodan, YE Qin, XIE Peng (31)
- Study on Application of Self-luminous Traffic Signs on Rural Highway
..... SHAO Yan, LIU Yong, CAO Yuan, XIE Haoyan, LYU Gangfu, WANG Pengjian (35)
- Study on the Selecting of Superelevation and Widening on the Reconstruction and Expansion Projects of Substandard Rural Highway in Mountainous Area XIE Meisi, YANG Nianshun (42)
- Application of Foam Light Soil in Slope Engineering of Widening Road by River XU Yidong, BAI Lanlan (45)

Bridge & Tunnel Engineering

- Study on Torsion of Single Box Three-cell Cantilever Girder with Corrugated Steel Webs
..... CHEN Jianwei, ZHOU Dongbo, DENG Wenqin, GONG Jieli, ZHANG Jiandong (50)
- Influence of Material Parameters Error of Cable-stayed Bridge with Hybrid-composite Girder During Construction Period
..... YU Yongliang, ZHENG Liubang, JIN Jiafu, YANG Zixian, WANG Xianqiang (55)
- Construction Technology of Mine Tunnel Under Expressway in Karst Stratum ... WANG Huaidong, QIN Wei, PENG Hongxia (59)
- Research on the Key Technologies of Reconstruction and Expansion of Metro Subway Municipal Tunnel XIA Dong (64)
- Research on Crack Variation of Concrete Bridge Based on Flexible Conductive Paint
..... YANG Yong, KE Xiang, ZHAO Qilin, FAN Yuxin, LI Jincheng (70)

Communications Engineering

- Fine Design of Intersection Based on Street Design Concept GUAN Shituo (76)
- The Construction Standard of Bicycle Friendly City from the Kano Demand Model ZHAO Qiang, YUAN Qianqian (81)

Rail Transportation

- Influence of Computational Domain Size on Numerical Simulation of Flow Around Trains
..... DAI Zhiyuan, PAN Feng, YU Mengge, LI Tian, ZHANG Jiye (88)
